

# Evidence Brief Template

**Day 5 handout.** The integrated Week 1 artifact — persona → pain map → problem statement → evidence log → open questions. This is what your quad presents in the Friday readout.

## Evidence brief — [short handle]

### Persona (one paragraph)

[From Day 3 — behavior-based, evidence-grounded]

### Pain map

[Screenshot or rendering of Day 4 Severity × Frequency matrix, Top 3 highlighted]

### Problem statement

[From today's Activity 1]

### Evidence log

| Claim | Source | Date | Tier | Captured by |
|-------|--------|------|------|-------------|
|       |        |      |      |             |
|       |        |      |      |             |
|       |        |      |      |             |

### Open questions
