

Readout Score Sheet

Day 5 handout. Used by the cohort to score each quad's 10-minute Friday readout. Score each dimension 1–5 using the rubric, then note one strength and one thing to sharpen.

Scoring rubric

Dimension	Weight	1	3	5
Customer authenticity	25%	Generic	Persona present, mix of claims	Observed-heavy, evidence named
Pain specificity	25%	Categories	Mixed	Verb + circumstance + consequence
Evidence quality	20%	Unsourced	Sources named	Tiered, auditable
Problem statement clarity	20%	Vague or solution-y	Mostly clear	Engineer could scope
AI-use transparency	10%	Unstated	Mentioned	Prompt + validation step disclosed
