

Week 6 — Stakeholder Alignment & Negotiation · Facilitator Overview

Facilitator-only companion to `labs/README.md`. The per-day facilitator guides are the `day-*.md` files in this folder.

Facilitator pre-flight checklist

- ☐ Confirm every quad has accessible PRD + TCD + TMD Monday morning.
- ☐ Pre-print or share digitally: **Power/Interest Grid** (Day 1), **RACI Worksheet** (Day 1), **Engagement Plan Template** (Day 2), **One-Page Brief Template** (Day 3), **Meeting Prep Template** (Day 4), **Negotiation Outcomes Log** (Day 5).
- ☐ Build **stakeholder personas** for Friday's simulation.
Suggested set: Operations VP, Architect, Security Lead, Eng Director, Customer Success Lead, CFO.
- ☐ Review the **Friday simulation rubric**.
- ☐ Coach yourself on the **most common Week 6 trap**: quads who treat the stakeholder map as an org-chart exercise rather than a negotiation tool. The map is **the input** to the conversations, not the deliverable.
