

Negotiation Score Sheet

Day 5 handout. One printed sheet per round, per side.
Score each dimension 1–4 using the rubric, weight it, and total out of 4.0. Note one strength and one thing to sharpen.
Hand totals to the author quad for their SEP Section 5 outcomes log.

Round: _____ Side scored: ☐ Author ☐ Stakeholder

Author quad: _____ Stakeholder quad: _____

Scores (1 = absent · 2 = attempted · 3 = solid · 4 = exemplary)

Dimension	Weight	Score (1–4)	Weighted
Listened first (restated concern before responding)	20%		
Translated tech to business (no unexplained jargon)	20%		
Held the line where it mattered (no unjustified surrender)	15%		
Found the trade space (named what could move)	20%		
Captured the outcome (specific, written, owner + next step)	15%		
Body / pacing / closure (reached a decision or explicit deferral)	10%		
Total	100%		____ / 4.0

Weighted = score × weight. Total = sum of weighted scores.
