

Cohort Contact Sheet

Day 5 handout. A blank sheet to keep the cohort connected after the academy. Sharing your details is **entirely optional** — fill in only what you're comfortable making visible to the rest of the cohort. The instructor circulates the compiled version only to those who opt in.

How to fill this in

- Add your row. Leave any field blank you'd rather not share.
- **Opt-in** means: "Yes, include my row in the shared contact sheet." If it's "No," your row is not circulated.
- Prefer a work email, a personal email, or LinkedIn — your choice; use the "Best way to reach me" column to say which.

Privacy note: this sheet is for peer support and staying in touch after the academy. Do not repurpose cohort contact details for solicitation without the person's consent.
