

Day 2 — Capstone Discovery + Compressed PRD · Facilitator Guide

Companion to `labs/day-02-capstone-discovery-prd.md`. Facilitator-only — do not hand to participants.

Facilitator reflection prompts (end of day)

- Which triad's persona is sharpest? Hold up Friday.
- Did anyone produce a compressed PRD that's actually 5 pages? Coach to cut.
- Did anyone treat compression as "less rigor"? Catch it: rigor stays; selectivity changes.
- Did the AI assistance accelerate drafting or replace thinking? The latter is a risk; intervene.
